CSE Student & Passionate Front-End Developer | Freelancer | Proficient in HTML5, CSS3, JavaScript, Bootstrap | Seeking Exciting Freelance/Part-Time/Internship Opportunities to Create Beautiful Websites.

Khulna, Khulna, Bangladesh

## Summary

As a Freelancer and passionate front-end developer, I'm dedicated to creating beautiful, user-friendly websites that engage and delight visitors. I have a strong command of HTML5, CSS3, JavaScript, and Bootstrap, and I'm constantly seeking new challenges and opportunities to expand my skill.

I enjoy working with other web developers and designers to make websites that match the client's brand and business objective. I am committed to staying up-to-date with the latest industry trends and best practices and constantly seeking opportunities to grow and develop my skills.

In my previous projects, I have collaborated with designers and other developers to create dynamic and responsive websites that meet the needs of clients and users alike. I'm a problem-solver at heart, and I thrive in fast-paced environments where I can put my creativity and technical skills to the test.

Currently, I'm seeking exciting freelance opportunities, part-time work, or an internship to create amazing projects and showcase my skills.

If you're looking for a front-end developer/Freelancer who is passionate, skilled, and dedicated to producing high-quality work, I would love to connect with you.

## Experience

Frontend Developer  
April 2023 - Present (2 months)  
Bangladesh

## Primitive Coder

### Website Developer

January 2023 - April 2023 (4 months)

Khulna, Bangladesh

As a self-employed website developer, I have worked on various projects to create visually appealing and user-friendly websites. I am proficient in HTML5, CSS3, JavaScript, and Bootstrap, and have a keen eye for design and aesthetics.

My responsibilities include:

- \* Collaborating with clients to understand their website requirements and goals
- \* Developing and coding the website using the latest industry standards and best practices
- \* Ensuring cross-browser compatibility and responsive design
- \* Conducting thorough testing and debugging before launching the website
- \* Providing ongoing maintenance and support as needed

Through my work as a website developer, I have gained valuable experience in project management, client communication, and problem-solving. I am passionate about creating beautiful and functional websites that meet the needs of my clients and their users.
